Member Vacancies

We are looking to appoint two new Members to support the continued growth and development of our successful multi-academy trust. Members have an 'eyes on, hands off' approach, meeting three times a year to review the actions of the Trust Board and hold them to account for their successful governance. Members are responsible for appointing new Trustees and uphold our values of positivity, integrity, resilience, respect and aspiration in support of our vision; *for every pupil to be happy and healthy; to contribute positively to their communities and achieve academic excellence.*

Do you have a background in education, senior or community leadership? Do you want to give back to your community but struggle to make enough time for regular meetings? Becoming a Member is an opportunity to be part of a vital stage in the successful governance of a Trust.
